Home > Campus

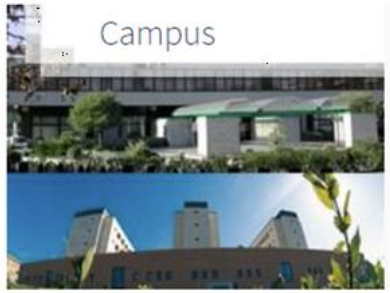
Campus

Services

The Campus is in the lead as regards facilities, equipment and educational courses. Within an urban and metropolitan setting characterised by a high degree of hospitality and comfort, the Campus offers several chances to enjoy leisure time by organising recreational, sports and cultural activities.

- Accommodation
- Canteens
- Services for students
- Fitness Trail
- Services for people with disabilities
- Services of psychological support and learning disorders

Campus



The University has two locations: the Campus in Chieti and the Pescara complex. There is also the 'Leonardo da Vinci' E-learning University, located in Torrevecchia Teatina.

PRACTICE

BA + I LEVEL MASTER

II LEVEL MASTER

course in Sciences and technologies for Archaeological Heritage is a II level master degree of two years (MPhil) which has been planned for senior students already having BA and MA in Archaeology, Art History, Classics, Geology, Architecture or Restoration. The Master is also opened to foreign students who want to study directly in Italy and on field both archaeology and cultural heritage, with programs which can be adapted on the basis of the needs.

PHD –EEH:
An Inter-disciplinary PhD Course

Characterizing EEH research and teaching topics are:

1. Seismotectonics and seismogenesis for seismic hazard assessment *(responsible: prof.* Giusy Lavecchia*)*

2. Geoarchaeology and archaeoseismology for cultural heritage risk and for seismic hazard *(responsible*: prof. Oliva Menozzi)

3. Endogenous and anthropogenic hazards for risk mitigation (*responsible*: prof. Francesco Stoppa)

4. Psycho-sociological analysis of hazard perception and risk communication (*responsible*: prof. Nicola Mammarella).
