# PEDAGOGICAL CORNERSTONE

- Since 1932, Astrakhan State University has been training qualified specialist in different spheres for the Caspian region and beyond.

Nowadays the stress is made on interdisciplinary competences and projects. It is the Department of Pedagogical Education, Art, Service and Culture that unites all other departments in their striving to adopt innovative, digital tools and learning process.

# UNESCO chair of the University

- Since 2004, the UNESCO Chair “The Learning Society and Human Sustainable Development” has been functioning at the University, which is part of the UNITWIN/UNESCO program.

- Main task:  
promotion of cooperation between well-known, nationally and internationally recognized researchers and University departments, other institutions of the Russian Federation, the Caspian region, South-East Asia and the Central Asian region
