

PICASP PROJECT

GENERAL REPORT OF THE RESULTS OF THE PROJECT

NAME OR THE PARTNER: AZERBAIJAN TOURISM AND MANAGEMENT UNIVERSITY

The present General Report of the Results of the project intends to illustrate largely how many splendid results each partner has achieved and how effective has been each partner for PICAS. Therefore all the results, activities, events, links, websites, published papers, media illustrating the project are here included and also photos of the events are also showed in order to attest both the large number of events which took place locally, regionally, nationally and internationally, but also to show the large number of peoples involved in all the activities and results. A project as PICASP, with so many splendid results and such a large number of peoples involved in many events and activities is the best way to attest a capillary and wide dissemination, both online and in presence. Moreover also a large number of courses, MOOCs, PE labs, practical seminars and trips have been done within PICASP project and it is therefore important to show how many and how effective these results have been for the project and for all the involved partners.

All the activities, the events, the results are now listed and described as well as attested by photos, links and so on.

PICASP ONLINE: WEBINARS ORGANISED BY THE PARTNER

LIST OF THE WEBSITES AND SOCIAL

27 APRIL 2021 _ A new meeting of the consortium members of the Erasmus+ KA2 “Industrial Enterprise Pilot Courses for University-Enterprise Cooperation in the Development of the Caspian Region, PICASP” project, funded by the European Commission, was held.

The meeting, organized by the project coordinator, the Italian D’Annunzio University of Chieti-Pescara, was attended by ATMU employees representing the university in the project.

The event discussed issues such as university-industry cooperation, experiences gained in this area, and the possibility of creating open, free online courses (MOOCs) at partner universities from Azerbaijan, Russia, and Kazakhstan at bachelor’s and master’s levels.

Faina Gachabayova, the coordinator of the PICASP project at ATMU and head of the “Scientific Innovation” section of the university’s Department of Science and Innovation, informed the partner higher education institutions of the project about the university’s activities within the framework of the aforementioned project in her presentation.

At the end of the meeting, the work to be done within the framework of the project was also discussed and relevant proposals were heard.
